Terms of Registration Form

Rooming List: We do not room your students with students from another chapter, so if you have only 2 females then they must pay the double rate, 3 males must pay the triple rate and so on. If you privately contact another chapter and arrange amongst yourselves to put your 2 females with 2 of their females, please notify us and we will make that accommodation. We will make every effort to put your chapters near each other, but this cannot be guaranteed.

If your college check or money order is not ready by March 7th, you must still send in all your registration forms & email the filled out electronic rooming list to Adeliza by March 7th.

The postmark deadline for reservations is March 7, 2018. By registering students, the chapter agrees to pay the state for ALL students registered regardless of attendance. It is recommended you have students make a non-refundable deposit to the chapter or have them pay in full before registering them.

No changes to registration or rooming assignments may be made after March 7th. If you have a student who cannot come, you are responsible for finding a replacement attendee who can use the same rooming assignment of the student who cancelled. In all situations, **any student registered on March 7th must be paid for by the chapter.**
